Add vehicles to a user name / customer number

You would like to receive a collective bill for all vehicles or cannot see certain vehicles in the SelfCare portal.

User or customer number*	
--------------------------	--

The customer number can be found on GO documents and collective bills. You will be given a user number after you have registered for the SelfCare portal.

Documents	Copies of the registration certificates for all vehicles listed below.
-----------	--

* required

The following licence plates are to be assigned to the user or customer number given above:

If you would like to specify further vehicles, please enclose a list of licence plate numbers and copies of the registration certificates.
